

Dear Camper Household,

This summer, Denver Museum of Nature & Science is partnering with CampDoc to better serve our participants and staff. CampDoc offers an electronic health record system for camps, and you can now complete your participant's Camper Registration Form and health information electronically.

In 1-2 weeks, you will receive an "Invitation" email from CampDoc to the parent/guardian email you specified during purchase. If you believe you entered the wrong email address during your purchase, please call or email guest services at 303.370.6000 to update your contact information.

- Click on the green "**Accept Invite**" link within the email to create your CampDoc account.
- In the **Confirm Email** box, type your *email address* in order to confirm.
- In the **Password** box, type the password that you want to use.
- Click the **CONTINUE** button.

After you log in, select your participant's name and click on the health profile link to complete your participant's information.

We don't want you to miss important notices about Summer Camp and your Camper Registration Form!

To ensure that every child has a great experience at camp and for their safety, all registration forms must be complete and submitted no later than two weeks prior to the child's first day of camp. This allows our team time to review and approve forms and set up health plans and training, as needed to plan the very best experience for the campers.

Any camper whose registration forms are not submitted for review or confirmed as "approved" by the Denver Museum of Nature & Science two weeks prior to the first day of camp will have their registration for the purchased week withdrawn and will lose their spot.

CampDoc sends out periodic reminder emails for incomplete health information. These **notifications come from campdoc.com**, so **please add this to your safe sender list** to avoid accidental delivery to junk and spam folders.

We are excited to continually improve, building safer, more productive and more efficient systems to create the best experience for you and your camper!

We can't wait to see you this summer,
Your Summer Camp Team

General Information

- Required questions will be marked with an * and outlined in red. Upload any required documents to your CampDoc account. If you're on a phone/tablet, you can take a picture of the completed document to upload a clear image of the document.
- Keep in mind that you can return to app.campdoc.com at any time to make updates to your participant's health information before your program begins. You can log in using the email address and password you previously created.
- The security and privacy of your participant's health information is important to us. The CampDoc site is secure, encrypted, and password protected. You can find additional information about CampDoc privacy and security information at www.docnetwork.org/security.
- We're excited to let you know that your participant's health information will save from year-to-year, so once you complete it in CampDoc this season, you won't have to start from scratch next year.
- Please note that CampDoc supports the current and previous major releases of Chrome, Firefox, Microsoft Edge, and Safari which provide improved security and performance for health information.
- For additional assistance, you can navigate to support.campdoc.com or contact our Support Team at support@campdoc.com or 734-636-1000.
